Mrs A. Mauley
Newark, N.J.

Dear Sir;

Kindly consider this letter as an informal application for a position on the umpire's staff. Jack Walter was obliging enough to give me your address yesterday.

I am available for games on Saturdays & Sundays afternoons also any nite games. Wrote letters to Messrs. Seidler & Pompey along the same lines as this one and quite sure terms can be arranged satisfactory to all parties concerned.

Best regards to Mrs Mauley who sister I had the honor & pleasure of meeting at the Harlem Hospital. If the other nurses had a sweet disposition as she, I would always be a sick pigeon.

Personal regards to you.
